Hi Cynthia,

I was, but that function got moved to Area Command in the sharepoint folder. Do you have access to the GKM Sharepoint site? There's a separate Congressional folder and they are all there.

Thanks,

Rebecca

Hi, Rebecca.

Has you been keeping a list of the answers you have provided for congressional questions?

Steve Wharton is attending the Animas River Stakeholders Group meeting, and I'm helping to draft some Q&As for him. It would be great if we didn't have to create all of them from scratch!

Thanks!

Cynthia
